

What is the Idaho Enlisted Association (EANGUS-ID)?

EANGUS-ID is a Non-profit Professional Organization representing the interests of Enlisted personnel of the Idaho Army and Air National Guard. EANGUS-ID is the only Professional Organization that specifically works on behalf of Enlisted Guard Members.

What is the purpose of EANGUS-ID?

To promote and support adequate security for the State of Idaho and the United States of America, to foster, improve and advance the status, welfare, and professionalism of the National Guard of the State of Idaho and the National Guard of the United States. Support Guard members and their families through legislation at the state and national levels. Work for improved benefits for our men and women of the Air and Army Guard.

What is A Corporate Membership?

The Corporate Membership Program is designed to make businesses part of the EANGUS team. Our goal is to encourage communications between military professionals and the business community, as well as aid in the mutual support of each entity. Your EANGUS-ID Corporate Membership will help us meet one of our most important objectives: To support the Enlisted members of the Guard who live and work in your community!

Why Corporate Membership?

Corporate membership is a highly effective way to show your support for the Idaho National Guard and its members. Many times, the National Guard is taken for granted and is under-appreciated in its impact in our communities. The men and women of the National Guard live and work in Idaho, attend our schools, drive our busses or sweep our streets. They may own the business down the street, teach our children, fix our vehicles or work in the local hospital. We may not know who they are, but we know that when they are called upon, they will be on the front-lines, leaving their loved ones behind to accomplish the mission. The mission of the National Guard used to be one of homeland security, natural disasters or civil unrest. However, we find ourselves being called up daily to take up the operations once reserved for the active duty components of the military. We are fighting in Southwest Asia, taking tours of duty in Bosnia and other areas of the country where called. We are no longer the National Guard of old, the much maligned "weekend warrior." The National Guard of today is combat-ready, mission-ready and fighting alongside our active duty counterparts. Businesses like yours can play a critical role in supporting your National Guard and the security of our state by partnering with the EANGUS-ID through corporate membership.

How will your donations be used?

### **Scholarships**

Scholarships for children, spouses and guard members are awarded each semester. The amounts are generally \$1500 each. The Executive board determines the number of scholarships.

### **Legislative Change**

Each year we send Idaho Guard members to Washington DC to encourage our congressional leaders to support legislation that benefits Guard members and their families. We also closely track legislation on the State and National Levels to ensure our elected officials

**National Conference Attendance**

We send select individuals to our National Conference each year where we serve as Idaho’s representatives on very important caucuses and committees including Legislative where we prioritize our legislative goals for the year and Resolutions where we decide on what bills to submit to congress in the upcoming legislative session. We also have voting delegates who help determine how the organization will carry out business in the years to come.

**Pride/Support/Patriotism**

We use money to recognize the contributions of the men and women of the National Guard to their community, state and country with special awards and certificates to be presented at state and national membership conferences. We bring about public awareness of the National Guard, its members and its importance to the civilian community. Your money helps ensure the viability of this organization for generations to come.

How much does it cost and what does my business get out of this?

A corporate membership cost \$1,000 annually. In addition to helping out our organization in the ways listed above you will also get:

Company name and link on web site

Invitation and one display table at our Annual Family Day held at Gowen Field

Certificate of Appreciation

Recognized as a scholarship sponsored invited to our annual Community College of the Air Force graduation
